Teddy made the platform for his side. Which seemed so very, very fair. And spoke to voters far and wide. Till his chin music filled the air. Teddy shouted loud, "Believe my word." And it pleased the autocratic, But everywhere that Teddy was heard They voted Democratic.

The Republicans of Kentucky are tickled to death over the way the Democrats are wrangling over the campaign in the Democratic state primary. Members of the party who are resorting to such unsavory abuse of the candidates they are not for, are only weakening their other man if nominated and also causing this opposition to retaliate by saying like mean things about their man, and this gets up a warfare between the different wings of the party that is liable to elect Republicans to state offices this fall. We have but little preference in any of the candidates, but one thing sure we are not going to vote in the primary for any candidate that leads a fight on his opponent that is liable to injure the party, and we think all Democrats should do the same thing and let candidates know this and may be they will be milder in the campaign.

The Republicans are saying they will come before the people this fall with a platform while the Democrats in holding a primary election will have no platform and if elected would not be bound to any principles. Let's see how close the Republicans of this State stand to their platform. Four years ago the Republican platform declared for local option, and the first thing they did was to elect a whiskey man—Bradley to the U. S. Senate by the aid of four whiskey Democrats, one of whom was afterwards fined \$3,000 for running a blind tiger in Danville, a local option town. He compromised paying part and closing up his shop. He was then appointed by Bradley to the position of his private Secretary in the Senate. If the Democrats have no platform and can't stay any closer to right than this, we would never vote with them again.

The ship subsidy bill passed Friday, and it was all due to the absence of one Democratic Senator. It was Senator Watson from West Virginia who had been sworn in and made one vote on the preface to the bill. He this time voted with the Democrats but at the critical juncture Watson was gone. Every other Democrat voted against the bill, and you may only conjecture why Watson left the Senate just at the time he was worst needed. A number of Insurgent Republicans voted with the Democrats. The vote of the Senators was a tie but Vice-President Sherman

untied the vote. This is the first time an opportunity ever came to the presiding officer of the Senate to cast a vote. We don't like such Democrats as Watson.

Now that good roads is all the talk everywhere they have bad roads, why not use what law we have at our command to improve the passways we already have. The law provides that all delinquent taxpayers may be forced to work out such tax on the county roads and if he refuses to comply promptly there are provisions of the law that causes the tax bill to grow wonderfully fast in cost and the delinquent may be put in jail until he decides to pay his poll tax or work the road. This law though a splendid one, is rarely ever enforced, yet it always should be. We would like to see Powell take the lead in enforcing this law.

A sheriff is to be elected in this county this fall, and since it has proved to be the most responsible position in the county, it behooves the Democratic party to put out a save man as well as a strong candidate. We have plenty of them in the party, but getting these good men on the ticket seems to be a very difficult undertaking. It takes a good man to win this fall and none other should be mentioned.

On July 29, 1909 James White a negro man assaulted a little eight-year-old white girl at Middlesboro and was ganged at Pineville January 31, 1911, eighteen months after the crime was committed. The law was slow to pronounce judgment and the negro was twice respited by Governor Willson. Is it any wonder we have mob law in Kentucky?

We heard a man say the other day that he was for Mr. "Tariff" for President again and further said they couldn't beat him. This man admitted he didn't read the papers but said he was for "Tariff" for President again. We have no doubt but what many more men like this man is for Mr. Taft and such men as this is what elected him before.

We believe in giving credit to whom credit is due. We want to congratulate John W. Langley for rising above party politics and bolting the Republican caucus which decided to cut down the South's representation in Congress. Langley says he will vote for no measure that curtails the number of Representatives from his State.

The tanners and shoe manufacturers of the country met in Chicago and decided to increase the price of shoes especially the cheaper grades. As may be expected. The poor class wears the cheaper shoes and every indirect confiscation of property always begins with the one that is the least able to resist it.

A persistent and generally credited rumor is circulating through the ranks of Kentucky politicians to the effect that Judge E. C. O'Rear, of the Appellate Court at Frankfort will be a candidate for the Republican nomination for Governor.

We read in Tuesday's daily papers where hogs had declined. The market buyers must have heard of the great number of swine up here in Clay City running at large on the streets.

Railroads are suffering in some parts of the country from floods, but in no instance are the floods caused by the water leaking from their stock.

SPOUT SPRING.

Services at the Baptist church Sunday was very well attended.

H. F. Christopher made a business trip to Clark county this week.

John Burton had a public sale of personal effects and this week moved to Clark county.

Eld. Geo. W. McIntosh bought some hogs from parties on Hardwick's creek this week.

We read the following announcement in Tuesday's Winchester Democrat: "Mr. and Mrs. Dillard McKinney announce the marriage of their daughter, Ruth, to Mr. Matt Thomas. The marriage will be at the residence of the bride, Wednesday, February 15th. No cards but friends of the parties are invited."

The bride lived here until a few years ago when the family moved to Clark county. She has here still many friends who extend congratulations.

The way to build roads is to build roads, not to talk about it eternally. If every word spoken or written on the road question were a stone every road in the State would be a pike fifteen feet wide and three feet deep.—Shepherdsville News.

THE TIMES.

AN ALL HOME-MADE PAPER.

THURSDAY, Feb. 9, 1911.

LOCAL BREVITIES.

Bluford Welch, of Stanton, has moved to Ladoga, Ind.

A branch railroad is to be built this summer from Yale, Bath county to Frenchburg.

Asa Burgher, who has been in Columbus, Ohio the past few months, has returned to Clay City.

The Powell County Medical Association met at Stanton Monday. The doctors from this city were all in attendance.

The last allotment of public school money will be due Saturday though it is hardly expected to be on hand promptly.

Wm. Evans was here the last of the week and bought from various parties over one hundred head of hogs at seven cents.

Asthma

Is a disease. Dr. Bell's Pin-Tar-Honey relieves almost instantly. We guarantee it to give satisfaction.

Charlie Welch who moved to Bourbon county last year has moved back to his farm near this city. We extend a most hearty welcome to Mr. Welch and his family.

A subscriber to the Iowa Falls Sentinel subscribed and paid for the Sentinel one hundred years in advance. Newspaper work in Iowa must surely be a pleasant business.

Croup

Cause uneasy nights but if you will use Dr. Bell's Pin-Tar-Honey it will relieve in a few minutes. There is nothing better. Guaranteed by all dealers.

The ground hog is losing his reputation as a weather forecaster. If he can't beat this he will soon be classed with the Weather Bureau at Washington as a forecaster of the weather.

All Skin Troubles

Are overcome by using Dr. Bell's Antiseptic Salve. It is as pleasant to use as pure cream and is guaranteed to give satisfaction, 25c a box.

A report is being circulated from Mt. Sterling of a probability of a railroad being built from Paris to that city by the way of Northmiddlesboro and our neighbor is greatly elated over the glimmering prospects.

Lost Watch Fob

Somewhere in Clay City without initials. Reward for return to Willie Hendrix, Clay City, Ky.

The grass during the mild weather of the past several days has continued to grow and the maple buds are beginning to swell and many other evidences of premature Spring weather are with us.

Wife Got Tip Top Advice.

"My wife wanted me to take our boy to the doctor to cure an ugly boil," writes D. Frankel, of Stroud, Okla. "I said put Bucklen's Arnica Salve on it." She did so, and it cured the boil in a short time." Quickest healer of Burrs, Scalds, Cuts, Corns, Bruises, Sprains, Swellings. Best Pile cure on earth. Only 25c at Swann-Day Lumber Co's. store.

Waldron & Johnson have a new advertisement in this issue of the Times. Both members of this first are noted for their courteous treatment to customers and their fair and honest dealings. Give them a share of your business.

Ira G. Proffitt, the Powell county Superintendent of Schools was in the city Tuesday. Mr. Proffitt seemed to deeply regret his inability to settle the affairs of the Board of Education which is on account of the funds being tied up with the ex-Sheriff.

Sutherland's Eagle Eye Salve

Is the best eye remedy ever offered the public. It is a snow white ointment painless, harmless and absolutely guaranteed to cure. At all dealers. 25c a tube.

Frost in May.

Besides having thunder in January we have had in February and especially Friday night when we had a regular storm. Friday being the 3rd of February and according to the old prophecy we may expect a frost of the same date of the month of May.

A Beautiful Woman

Must have a beautiful skin. Dr. Bell's Antiseptic Salve removes pimples, black heads, chaps, and roughness, leaving the skin smooth. Try it on our guarantee.

Kentucky No Exception.

Every State has its portion of floaters, or voters that can be bought with money. Kentucky is no exception to this rule. The condition perhaps is not as bad as has been disclosed in Ohio and Illinois, but they are such as to demand attention to an extent that they be remedied. Men who place no more value on their right of suffrage than to dispose of that right for a paltry mess of financial pottage deserve to be disfranchised.—Paducah News-Democrat.

Falls Victim To Thieves.

S. W. Bends, of Coal City, Ala., has a justifiable grievance. Two thieves stole his health for twelve years. They were a liver and kidney trouble. Then Dr. King's New Life Pills throttled them. He's well now. Unrivaled for Constipation, Malaria, Headache, Dyspepsia. 25c. at Swann-Day Lumber Co's.

Out of the Race.

Congressman Ben Johnson has withdrawn from the race for Governor, and gives as his reason for so doing that he was being persecuted because he was a Catholic. His being a Catholic was known to us and don't believe it was as great opposition as Mr. Johnson said was, still his card should be read by every citizen of Kentucky as it presents an argument different to what most of we protestants are use to hearing.

Tortured For 15 Years

by a cure-defying stomach trouble that baffled doctors, and resisted all remedies he tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer." "Whatever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. It's surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at Swann-Day Lumber Co's. store.

It seems very difficult in Central America to tell where one war ends and the next begins.

Help Wanted

For that cough. Get a bottle of Dr. Bell's Pine-Tar-Honey. It is the best.

Welton Watson who has been looking after the local telephone exchange was taken sick last week and returned to his home at Mt. Sterling.

Sight Too Valuable

To be neglected. Sutherland's Eagle Eye Salve will cure any case of sore eyes, granulated lids, ophthalmia or any inflamed condition of the eyes. Painless and harmless. 25c a tube at all dealers.

Last year's corn crop in the United States was, in round numbers, 3,121,000,000 bushels. Munsey calls attention to the fact that this is approximately the actual number of dollars in circulation throughout the United States. This means, of course, that, were it necessary to buy for spot cash the crop of Indian corn our farmers harvested last autumn, paying for it \$1 a bushel, it would "swipe" every American dollar now in circulation.

Life Saved At Death's Door.

"I never felt so near my grave," writes W. R. Patterson, of Wellington, Tex., "as when a frightful cough and lung trouble pulled me down to 100 pounds, in spite of doctor's treatment for two years. My father, mother, and two sisters died of consumption, and that I am alive today is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 187 pounds and have been well and strong for years." Quick, safe, sure, its the best remedy on earth for coughs, colds, lagrippe, asthma, croup, and all throat and lung troubles. 50c and \$1. Trial bottle free. Guaranteed by Swann-Day Lumber Co's. store.

Farm for Sale

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its

weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and

Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.
